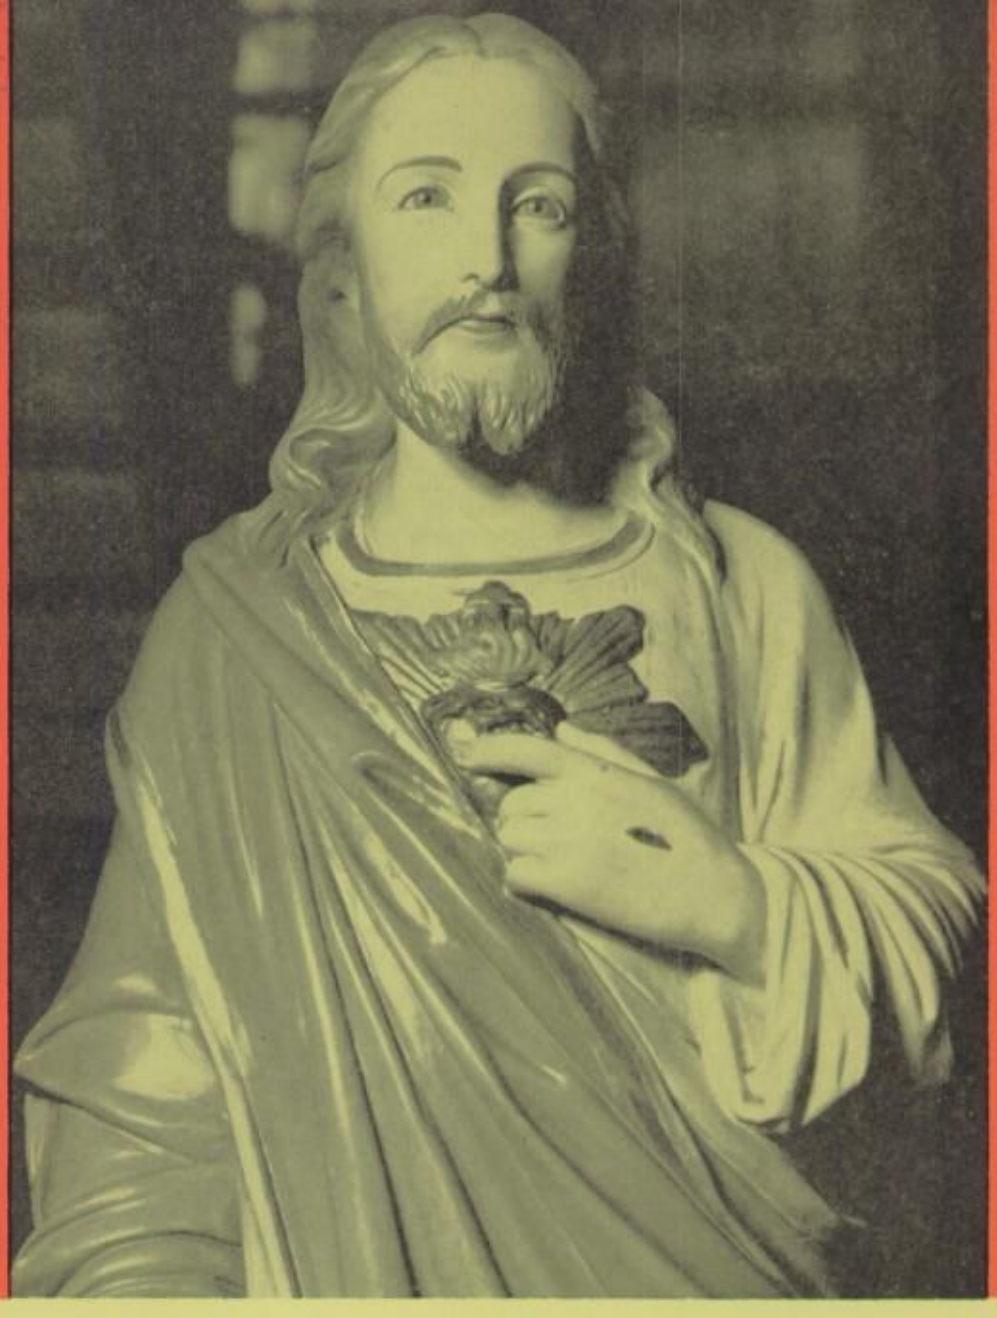
DE LA SALLE



Dedication . . .

In the modern world we are facing, the battle for the minds of youth goes on relentlessly. Millions of people of high school age are subjected to doctrines which, frightening in themselves, will bear fruit in the future in war, suffering and slavery. We are fortunate that in the midst of so much diabolical scheming, we were presented with the Doctrine of Charity of our Divine Lord in the pattern as outlined by His devoted servant — St. John Baptist De La Salle. It is to Them we dedicate our 1953 METEOR.

IN APPRECIATION . . .

AS we pass through life we shall encounter many different men who will shape our personalities. We shall hardly, however, meet with less selfish, more devoted men than Brother John Michael and Mr. Elvin Lewandowski. Giving generously of their time and effort, sharing their brilliant scholarship and vast experience — entirely interested in the welfare of the men who came under their influence, these two men are deserving of our highest praise and our sincerest thanks.

IN appreciation for all they have done for all De La Salle men, and for us in particular, we seniors of 1953 gratefully remember Brother John and "Mr. Lew".

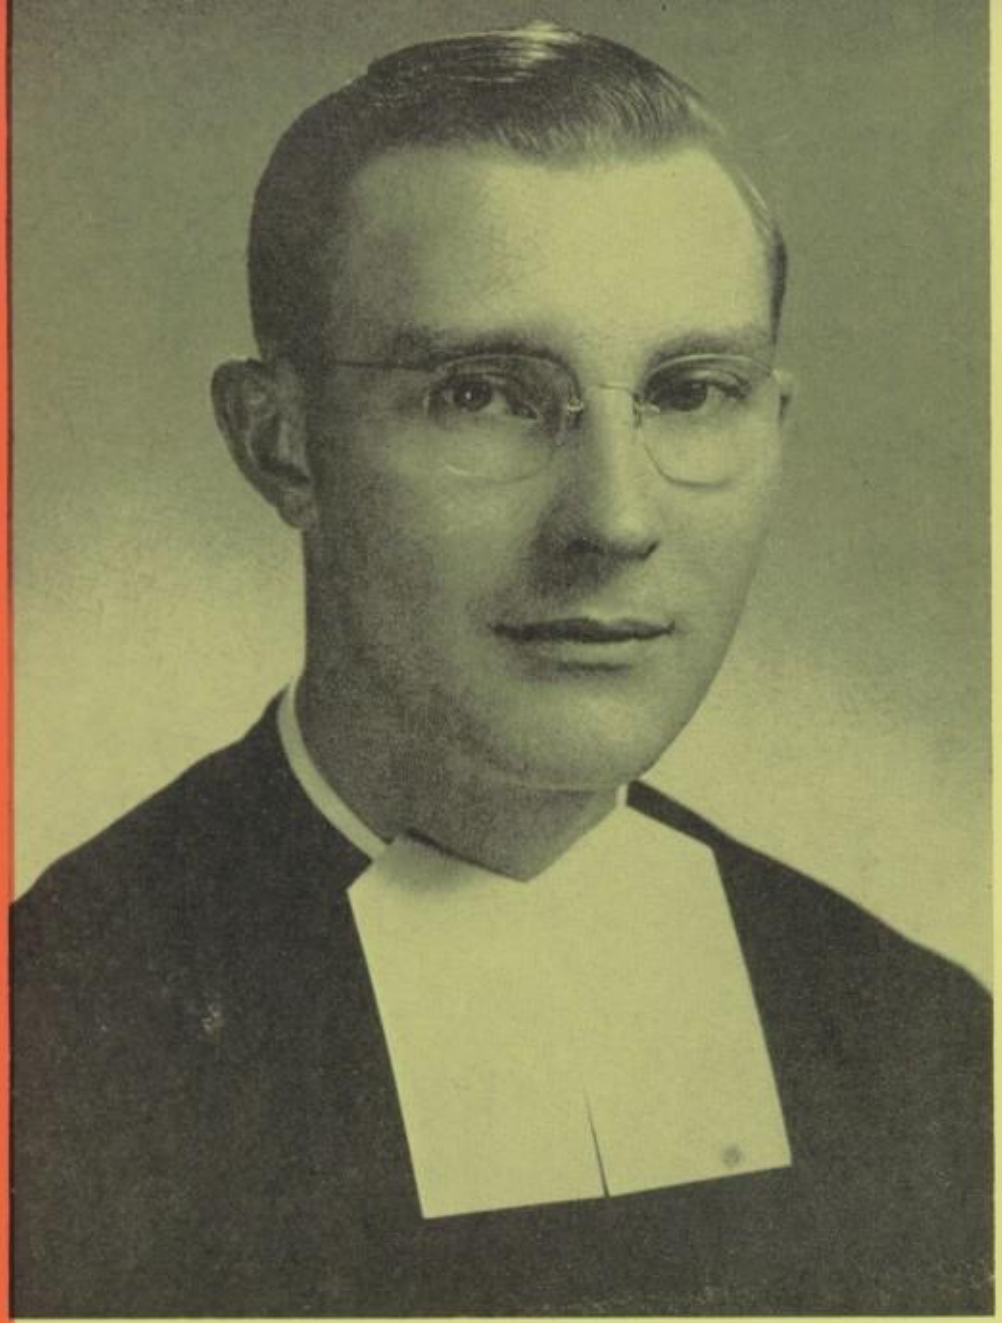
JOB
PLACEMENT



OUR DIRECTOR

BROTHER I. BASIL

The steady progress made by De La Salle in the last three years — in curriculum, student activity, and building — has been due in large measure to the sure guidance of our capable administrators. We hope that De La Salle will continue its forward progress in the years ahead. We are sure that it will if Brother Basil and Brother Francis remain to make it so.

SENIORS

Therefore we ought more diligently to observe the things we have heard, lest perhaps we should let them slip. For if the word, spoken by the angels, became steadfast, and every transgression and disobedience received a just recompense of reward, how shall we escape if we neglect so great a salvation, which having begun to be declared by the Lord, was confirmed unto us by them that heard Him.

(Hebr. 2, 1-3)

MEMO—MAY 18

To the Seniors—

1. The year in review — many blessings, some reverses. School, activities, athletics, etc.
2. Most important subject: Religion — our four-year plan: Christian Americans — our famous, and not so famous alumni.
3. Catholic Schools: Nursery of loyal Americans
Enemies rant and rave — Champions always targets of lesser men.
4. Your obligations as educated Catholics:
a) to make God loved more — b) to uphold the faith, c) to promote Christian living
By your lives!! Actions not words
5. To achieve: The Mass, the Sacraments — Daily Prayer
not a Sunday morning affair — 24 hrs/day,
7 days/wk, 365/yr.
6. Leave DLS with high ideals — you go only as far as you aim.
7. Hold our Blessed Mother in high esteem — daily devotion.
8. Be good, God-fearing men — to end as God-loving
Partakers of eternal joy
9. You shall be in our prayers always

SENIOR ADVISERS

The Christian Brothers who led us this year are in our debt forever. Their wisdom, counsel, and knowledge are held in highest esteem by all — their rewards will be great in eternity. They asked nothing of us but hard work which they knew would bear fruit in the future. They tried to see to it that we left them typical products of De La Salle: true "Brothers' Boys".

PUBLIC SPEAKING

CHRISTIAN LIFE

It is its Christian Spirit which makes a Brothers' school so different. The daily schedule, begun and ended with prayer, is permeated with the thoughts and teachings of our Divine Master.

In addition to the regular morning Religion class and Rosary, the hour and half hour prayers, there are special opportunities for all students to enter into Christian Action through the YCS, Cisca, the Archconfraternity of the Divine Child, the League of the Sacred Heart, the Propagation of the Faith, and special devotion to our Blessed Mother.

A Brothers' Boy becomes a Christian Man through Christian living.

Brother Hugh Elzear
Moderator of Alumni

ALUMNI ASSOCIATION

In the long list of achievements totaled up by the Alumni Association, none was more impressive than this year's banquet. Led by such faithfuls as President Frank LaPasso, Al Hoiss, Art Ward and a host of others, the Alumni put on one of Chicago's most impressive affairs. Among its other accomplishments, the Alumni this year edited the very fine Alumni Directory, a 260 page volume containing the names and addresses and pertinent information of all the known alumni of De La Salle. This organization has exhibited the true De La Salle spirit: Christian Men in a Christian America.

ATHLETICS

Know you not that they that run the race, all run indeed, but one receives the prize? So run that you may obtain. And everyone that strives for the mastery, refrains himself from all things; and they indeed that they may receive a corruptible crown, but we, an incorruptible one. I therefore so run, not as at an uncertainty; I so fight, not as one beating the air. But I chastise my body and bring it under subjection.

SCHOOL

The humble knowledge of thyself is a surer way to God than the deepest search after science. Learning is not to be blamed, nor the mere knowledge of anything which is good in itself and ordained by God; but a good conscience and a virtuous life are always to be preferred before it.
